MEMORANDUM FOR: Director of Personnel

SUBJECT : Review of Foreign Service Officer Candidates

1. I am returning herewith your memorandum of 28 April 1966 forwarding a letter to Mr. Crockett from Mr. Helms.

2. It is believed that this is not the best way of approaching the problem, although we agree that the objective is a good one. We would prefer to go as far as possible in gaining access to the Department of State's Register through contact by our Recruitment Division with its counterpart in State. We recognize that there may be some difficulty in this and, if this is identified, perhaps the roadblock can be reduced by informal contact between the DD/S and Mr. Crockett. I do not believe that we should encounter too much resistance since we are confining our interest to those people that State cannot accommodate within its ceiling.

3. I would appreciate being kept advised of progress in this approach.
